THANK YOU,

After **48 years of service** to Wilmington Public Schools, Miss Peters

FROM STUDENTS, FROM STAFF, FROM

Class of 2022 Officers

Miss Peters has guided our class through some of the toughest times of our lives. She has always supported us in times of need. We will miss her, but are happy for her to begin the next chapter of her life, as we begin the next chapter of ours.

-Class of 2022

Ms. Peters,

Thank you so much for all that you have contributed to our student community here at WHS. Your dedication and kind nature have helped us to thrive as a school and you will be missed greatly. All that you have done for us will not be forgotten and your words and actions have taught us invaluable lessons. Through the pandemic and countless other obstacles, you have helped us to preserve and thank you for your time spent as principal.

-Julia Kane '23

According to Webster's dictionary, school is an institution for educating children, but to me it is a place of comfort, a community, a place full of laughter. This is because of you, it is not an institution, but rather a privilege. Coming into high school I was intimidated and scared and was compelled to believe I was in for a terrible four years, but the community and people led to the best years of my life. Ms. Peters, you have brought so much joy and delight to so many people. Your ideas and inspiration have and will continue to compel so many students to give everything they can and try their best to be successful in life. While there is so many things I could say, I will keep it short and sweet and just say thank you.

-Patrick Stokes '23

Ms. Peters has never failed to bring her best efforts and ideas forth to Wilmington High School. Thank you for everything that you have done over the past four years. We loved receiving cards from you in the mail, and reading the poems you wrote for us. We will miss you dearly.

-Emersyn Foresyth '22

Class of 2023 Officers

Miss Peters,

Thank you for leading our school for so many years. Your determination and enthusiasm towards making our school community a positive and uplifting environment has helped so many students have happy and successful years at Wilmington High School. Thank you for being someone who can help and guide everyone in our school. Although the past couple of years have had many obstacles you motivate me and others to keep going even when it gets tough. Thank you for all of your hard work and dedication to us and our school, you will be deeply missed!

-Class of 2023

Even though we have known you for two years, one of which was remote, the 2024 class have seen that you have put the students first and do whatever is most beneficial for us and will for sure miss you next year.

FORMER STUDENTS WHO ARE NOW STAFF

I have genuinely loved working with you, and I'm so happy to have known you as a co-worker and friend.

-Mr. Phillips, Assistant Principal

Miss Peters,

You are truly the hardest working and most kind person I know. Thank you for inspiring me to be my best self each day. Thank you for always seeing the best in everyone you encounter and teaching me to do the same. I will keep these lessons with me forever.

- Mr. Merenda, Assistant Principal

Walking in freshman year I never once thought we would be where we are today. From day one of freshman year until I walk across the graduation stage, Ms. Peters is always there to ensure I am on the right path. I couldn't thank her enough for helping and leading me into the person I am today. I can confidently say that my classmates, the class of 2022, will be forever grateful for the impact she had on us. Ms. Peters always vouched for us and made high school a memorable experience.

-Sofia Donovan '22

She was the only math teacher that managed to reach me, a student that struggled with the subject. Her understanding and her compassion made me want to learn.

-Lisa Bellavia, English teacher

48 years in education, 9 years as principal, 2 schools (Wilmington High School and the West Intermediate), Over 4000 students taught (if my math is correct?), countless lessons and teaching moments, many Staff meetings, A colleague and a mentor, so many students' lives changed forever. Miss Peters is and has always been dedicated to the students of Wilmington. Her kind and caring ways are one of a kind. As a former student (two years in a row), she spent countless afternoons providing me with extra help so I could be successful in her math class. Over the past 9 years, I have witnessed her providing the same extra help to many students as a high school building principal. What other principals would dedicate this time to the students in their building? **She is in a class of her own!**

-Mark Staffier, History teacher

I had Ms. Peters for math during my sophomore and junior year at WHS. I had experienced difficulty in math in 8th grade and Ms. Peters was instrumental in helping me regain my confidence in math with her clear instruction and unwavering support for her students. She was without doubt one of the best teachers I ever had.

-Matthew Hackett, History teacher

Ms Peters has always put the students first. She has always been so kind and welcoming to all students. She has always listened to any concerns from students and done her best to make our wishes a reality. I am so thankful to have had her as our principal. Her kindness radiates through others and she makes this school a great place to be.

Once a wildcat, always a wildcat. We have stood by these words since we were children. Being a part of the Wildcat community has fostered a lifelong connection of friends and family. Most of us were raised here and have created some of our favorite memories. Whether it was seeing the Wildcat mascot in elementary school or participating in Youth Sports such as Pop Warner, youth baseball, wrestling, hockey, basketball and soccer. We took our passions for sports and community with us as we grew, and earned bigger roles in the Wildcat community.

When life was put on hold in 2020, we patiently waited for the pandemic to slow down, and in doing so we learned to value all that we have done at WHS, and all the aspects of our community that we depend on. We learned to appreciate everything, to take nothing for granted, and to make the most out of every experience. We recognize that even though these past four years didn't go as planned, they are still the years we will always look back on.

Even though we are going our separate ways after graduation we will always have our memories and sense of community here in Wilmington, Massachusetts.

Wilmington High is having friends we'll keep for the rest of our lives, and that means we really are 'all in this together'.

Once a Wildcat, Always a Wildcat!

To the Class of 2022...

Sometimes it is difficult for me to put into words my sentiments, thoughts, and advice when I am also saying goodbye. You must know by now that the world of numbers and formulas are what have shaped my identity as a math teacher for many years. But what has really kept me in education is you, my students. There is nothing more rewarding than the connections I make every day with you. Your warm greetings when we meet in the halls or in the café, stopping by my office for a little extra help, or to ask a question, or just to chat – I cherish all of that. Nothing means more to me than family and I consider my students and staff my WHS family.

It has been quite a four year journey for you. A school closure, hybrid and remote learning and masks - you must be wondering when this will ever end. I feel the same. But I have always been able to be grateful for what I have and not worry so much about the things I can't have. As you continue to navigate through all of this, I hope that you are the ones that are encouraging others to stay positive and not think more about the good. There is so much that is good and we should never lose sight of that.

I do hope that as you reflect on the past four years, that you do remember the good times, the positive experiences, the fun you had, the differences you have made, and the people who have made your journey so meaningful. Whether your strengths are in academics, athletics, art, music, or drama, what matters the most is that you have always strived to do what is right..

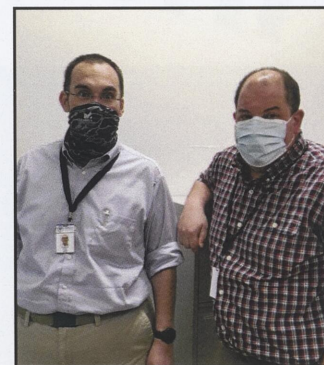

If I could offer you any advice as you leave WHS, I would tell you to find something to do that you love. If you have a dream, follow it. If you have a talent, pursue it. If you can, give. You have much to offer. Life is beautiful especially if you love what you do. You have made me love what I do. I can never thank you enough for that.

As you begin a new journey beyond WHS, I wish for you every success, every happiness, everything good in your future. Be sure to know that we are always here to celebrate your success and help you along the way. You are and always will be part of the WHS family and I will always have a special place in my heart for you.

Take care of yourself. Take care of each other.

Miss Peters
Principal

We have spent four incredibly challenging years together, and we have had to do things differently every one of those years. Since March 11th, 2020, over and over, we have been asked to think differently, work differently, communicate differently, even breathe differently. The pandemic has placed every aspect of your high school careers (including your senior year) under a microscope. You have overcome constant challenges. Maybe you shed a few tears, and maybe you have overcome some moments of frustration. But, you have also achieved great things, learned to be resilient, had many laughs and become amazing young adults. Regardless of all of the trials and tribulations you faced, you made it. Be proud of yourself, be confident in what you have learned and embrace the opportunities ahead of you.

Mr. Phillips & Mr. Merenda
Assistant Principals

As our time at Wilmington High School comes to a close, we reflect on the past four years we have spent making memories together. From cheering in the student section of football games, to starting junior year virtually, to senior week, we have grown so much as a class. With freshmen year and senior year as our only full school years of in-person learning, we have overcome many obstacles together. Now we have reached graduation and the start of a new chapter. As we embark on new adventures we wish each and every one of our fellow classmates the best of luck in pursuing their dreams. It has been a pleasure to serve as your class officers for our much anticipated senior year. Remember we will all forever be wildcats: once a wildcat, always a wildcat!

SENIOR SURVEY

We asked, you answered! We picked a bunch of questions to ask the **Class of 2022**.

We administered this survey via Google Forms in November 2021, and we received more than 120 responses. Now, we've compiled the results!

? Which is better:
Dunkin' or Starbucks?

It's true: America, or at least the Class of 2022, runs on Dunkin'! It was a close race on this one, but Dunkin' took 54% of the vote. Now, just try not to get caught with it in the hall!

? What's the best thing at Munchie?

We asked this question two years ago, and cookies won with 47% of the vote. This year, it was a complete landslide.

73% of the Class of 2022 voted the cookies as the best option at Munchie. This leaves us with one question: How do we get the recipe?

A very distant second was soft pretzels with 6% of the vote, and then fruit snacks with 4%.

? In 10 years, will you be living in Wilmington?

61% said no

The Class of 2022 has big dreams! By 2032, 61% plan to live somewhere beyond Wilmington. A proud 5% said they would definitely be living in Wilmington in 10 years, and another 34% said they weren't sure. We're guessing most will stay close to home; in 2021, only 15% of adults age 18-34 moved out of MA.

? If you could live in any country in the world, which would you choose?

18%

18%

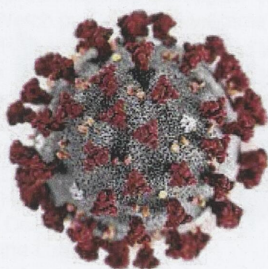

Maybe it's the pizza, maybe it's the pasta, maybe it's the famous and beautiful art... we don't quite know the reason, but 18% of the Class of 2022 said they'd like to live in Italy if they could live abroad. This was the country with the highest number of votes. The second place winner? Yours truly, the United States of America.

Greece landed a smooth 7% of the votes, tied with Australia. After that, Japan and Canada took 5% of the votes. 21 other countries got 1-2 votes each.

This proves one thing: there's no place like home... except Italy! Arrivederci!

? — With the knowledge you have now, would you want to go back to pre-Covid?

44% Yes
31% No
25% Maybe

There's no question that Covid-19 has had a substantial impact on the Class of 2022. The only "normal" school year was freshman year. Sophomore year basically ended in March with the shut-down, and junior year was mostly hybrid/remote. Senior year was better, but masks and social distancing were still required until February. Considering the impact of the pandemic, we wanted to know if seniors prefer the pre- or post-Covid world. 44% said they'd rather go back to pre-Covid, while 31% said they would not go back. 25% said maybe, which we feel captures what we're all feeling: Covid was a crazy time, and we're still processing it!

? — What's the most difficult course you've taken at WHS?

Science continues to torment WHS students. The majority of seniors said science classes were the hardest, including Biology, Chemistry, and Physics at all levels. Chemistry was the top finisher within the category, with 21% of seniors saying Chemistry (CP, H, or AP) was the hardest class they took at WHS.

Math came in second, with 16% of the vote, then History with 12%, World Languages with 8%, and finally English with 5% of the vote.

As expected, AP also made a big showing; 35% of the classes mentioned were AP courses.

? — Who is better? Kanye or Drake?

36%

37%

We weren't expecting this to be such a close contest, but this one proves every vote counts! A single vote separated Drake and Kanye for this question. But not everyone is into rap; there was also a sizable portion of the class that couldn't care less: 27% voted "No Opinion."

? — Are you a dog person or a cat person?

73%

23%

Dogs really are man's best friend! 73% of the Class of 2022 said they prefer dogs over cats. Just like peanut butter and jelly or peas and carrots, here's another iconic duo: (wild)cats and dogs!

? — Do you plan on having kids?

Bring on the diapers! 69% of seniors said they plan to be parents in the future. Most (60%) said they plan to have 2 or 3 kids. A brave 7% said they hope to have 4 or more!

12% said they are not planning to have kids.

? — Which is the best High School Musical movie?

26%

16%

19%

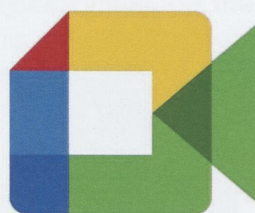

Of those that have an opinion (39% of seniors said they had no opinion), there was a clear winner on this one. This just goes to show the original is always better! Sing it with us, "We're all in this together!"

? — What's your favorite TV show?

GREY'S ANATOMY

Seniors are watching a LOT of TV these days. There were many shows listed. Grey's Anatomy came out on top with **10%** of the vote. The Office was close behind with 7%. After that, Gossip Girl, Gilmore Girls, Friends, and Criminal Minds all got 4% of the vote. 68% of seniors mentioned a show not listed in these results. Don't try to binge-watch Grey's all at once, though - there's 281 hours of it! That's 12 days non-stop. Summer vacation goals?

**? — Which is better?
Zoom or Google Meet?**

78%

22%

We basically spent the 2020-2021 school year on Google Meet. So, we were interested to see which video-chatting platform seniors preferred. It turns out, there isn't much competition. Google Meet won in a landslide.

? — What are you looking forward to most about senior year?

Seniors can't wait to move on! **53%** said they're looking forward to walking across the stage at graduation the most. Who can blame them? After 13 years of school, they're ready for a celebration! Another 30% said they're looking forward to the prom, and 9% said senior week.

? — Which teacher or staff member has had the greatest impact on your life?

We like to ask this question each year to give a shout-out to the staff who make WHS so great. But, each year, the vote is split in so many ways that it's hard to recognize anyone. More than **40 teachers** were mentioned in the answers to this question. Those receiving more than 5 votes were...

Mrs. Bellavia

Mrs. Desberg

Mrs. Dunlap

Mr. Hackett

Mr. Jones

? — What's the best movie that came out during high school?

The vote was split across more than forty different movies on this one, but Avengers took **12%** of the vote. In a far second, was Spiderman, then The Joker and Black Widow. How Marvel-ous!

The wildcat spirit runs strong in the football team. **48%** of seniors said the football team has the most school spirit out of all the WHS athletic teams. 10% said the cheerleaders had the most school spirit, and girls soccer was close behind with 9% of the vote. Blue and white is in our blood!

? — What's your dream job (realistic or not)?

23% said healthcare

Nurse, doctor, surgeon, psychologist, dentist... these are just some of the many jobs seniors listed as their ideal future career!

The second most popular category, with 20% of the votes, was the Arts, which included things like acting, fashion or interior design, film directing, singing, or video game design.

Business was third with 13%, then public service (government, law, teaching) accounted for another 9%.

One senior said their dream would be to own a zoo. We're into it. They better have some wildcats!

② — Which app do you use the most?

It took a few years, but TikTok reigns supreme. When we first asked this question in 2019, Snapchat was the big winner with 37% of the vote. Now, 3 years later, TikTok has taken over. Snapchat fell to second with 23% of the vote and 16% said Instagram. Only 5% said Twitter and YouTube.

The remaining 19% of votes went to games (Angry Birds, Clash of Clans, Clash Royale) and other media apps (Netflix, Spotify).

② — What was the best part of remote/hybrid school?

We know there were a lot of cons to pandemic school, but we wondered if seniors would identify any silver linings. **36%** of seniors said they liked getting to stay in their PJs and spending less time getting ready in the morning; it took about 5 seconds to roll over and "get to class." Another 31% said they liked having more control over their time during the day. Another popular comment was being able to hang out somewhere comfortable. Learning math was tough, but at least you were wrapped in a blanket on the couch!

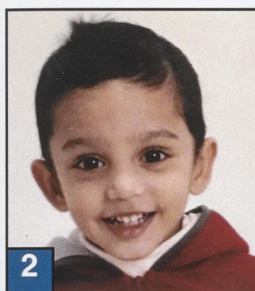

ALL GROWN UP

It's hard to believe that these baby faces are seniors now! Looking back, it seems like just yesterday when the Class of 2022 was hanging out in diapers, getting messy at meal time, and playing dress-up in silly clothes. In many ways, they haven't changed at all! Who still has those same dimples? Or that curly hair? Take a look at these pages and see if you can guess who's who!

To the Class of 2023,

Even though this year may not have been completely "normal", we still made the best of it and had a successful and great year. These past three years have flown by, and we can't wait for our upcoming senior year! Staying united as a class during these difficult times helped us excel through this year and make sure we are ready for our last year of high school. We are so excited for whatever comes our way during our last half of junior year, and to be seniors next year!

Let's all stay positive for the future and enjoy our years together.

Class Advisors: Mrs. Estrada

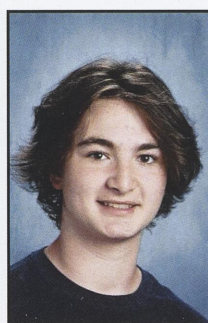

To the Class of 2025,

Despite the obstacles we've faced, we've had a great year. We made the transition to high school, and we love the extra independence at WHS. We've gotten involved in sports, clubs, drama, and music groups. We hosted a bake sale, a food drive, and a few class fundraisers this year. As a class, we only have three years left!

Let's enjoy it because it will over, before we know it!

SPIRIT WEEK

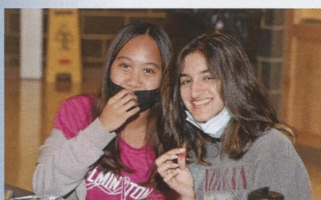

Every year, the days leading up to Thanksgiving break are celebrated with spirit days. The final day is always Blue & White, and the week concludes with a pep rally. The class officers help plan each day's theme and the pep rally. Inspired by TikTok, this year's new theme day was "Anything But A Backpack". Take a look at these pages and all the creative ways WHS students came up with to celebrate spirit week!

CLUBS & ACTIVITIES

Academic life is important, but it's the extracurricular clubs and activities that enrich the daily experience of WHS students. The majority of WHS students are involved in clubs and activities, which span a variety of topics. Some clubs are "oldies," but some new ones this year include Ceramics Club and Music & Movies Club. Take a look at this section to find out more about all of the exciting opportunities WHS has to offer.

CLUBS & ACTIVITIES

Academic Decathlon

The Wilmington Academic Decathlon competes with teams of students from high schools across the state in a series of ten academic events. These events cover Economics, Language and Literature, Mathematics, Music, Fine Arts and Social Science. Students are given awards based both on individual and team achievements. A unique aspect of the program is that each nine-member team must consist of three students (decathletes) each with "A", "B" and "C" grade point averages. Students may be in any grade and an unlimited number of alternatives may also compete.

We have been preserving and maintaining our wonderful courtyard by tending the plants and trees, wedding and planting flowers and vegetables. Many new members have joined this year to learn new skills, make new connections and make this club fruitful. This year, we've met on Tuesdays—outdoors in the fall/spring to maintain the courtyard and indoors in the winter to maintain the indoor growing system and work on ceiling tile—and we've made great progress.

Our club goals for this year include some major additions to the courtyard such as planting a butterfly garden and a peach tree. With the dedication and hard work of our team members we accomplished some amazing goals, both large and small. Follow us at @whsgardeners on Instagram to follow the progress of our club and for gardening opportunities this summer!

SPOTLIGHT: DECA

Advisor: Margie Dunlap

As the largest extracurricular club at WHS, we decided DECA deserves its own feature!

DECA prepares emerging leaders and entrepreneurs for careers in Marketing, Hospitality, Finance, Business Management, Leadership and Entrepreneurship. It provides students an opportunity to explore an aspect of the business world and make vital connections with people from all around the world. Wilmington High DECA members have the opportunity to compete in 3 levels of competition throughout the DECA year. WHS is a member of Massachusetts District 4 which competes every December. Students who advance to the next level of competition attend the Massachusetts State Career Development Conference ("States") in Boston for 2 nights and 3 days in February or March. The final competition opportunity of the year is the International Career Development Conference (ICDC), which is held in April each year.

Being a part of DECA for four years allowed me to learn business, speaking, and practical real-world skills that I wouldn't have been exposed to in a typical high school classroom. I've met countless people across the country through the competitions and events, and hearing your name called on stage at SCDC tops it all off. Joining DECA was the best decision I made freshman year, and I hope for all future WHS students to do the same!

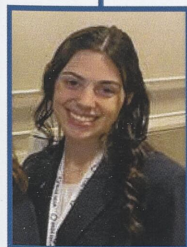

When I joined DECA my freshman year, I was just looking to join a club, but I didn't expect how much I'd enjoy the club. I've met so many from around the country, traveled to numerous events and competitions, and learned so many business and speaking skills I will use every day. I'm grateful for everything DECA has shown and taught me, and would advise anyone to join DECA!

DECA has taught me how to be a better teammate and leader. I will forever be grateful for the club and all of the fun opportunities I was able to take part in. I can't wait to use what I have learned from this experience in my future! Best luck in your future WHS DECA!

Competing in DECA events has taught me to remain calm in high stress situations and to think on my feet. These skills will be helpful not only in a future career but in life as well. It's been a rewarding 4 years full of fun experiences and quite a few wins. I wish Wilmington DECA members continued success and hope they truly capture their moment.

DECA has given me so many opportunities I will forever be grateful for. I was given the chance to develop skills such as public speaking and project management alongside an amazing group of peers. Attending SCDC twice with my partner has been an unforgettable experience. The thrill of getting called on stage and watching other chapter members succeed as well is extremely rewarding. This club has been a blast the past four years, as I have learned so much from each E-Board group. I am so thankful to have been in this club for 4 years, growing and learning with my partner and fellow chapter members!

Colophon

The 2022 Hourglass was produced by the yearbook staff at Wilmington High School in Wilmington, Massachusetts and printed by Walsworth Publishing. We would like to thank Debbie Cohen at Walsworth for helping us bring our ideas to life. This edition of the Hourglass is 164 pages. 240 copies were sold at an average price of \$85. There were several fonts used throughout the book, including *Cafe Script*, **BRIA**, Helvetica, and Times New Roman.

The cover was designed in collaboration with a Walsworth Publishing artist under the direction of seniors Sofia Donovan and Emersyn Foresyth. Sofia and Emersyn also determined the color scheme, maintaining the traditional blue and white throughout the book.

Photos were supplied by Prestige Portraits and Lifetouch, the Walsworth Snap App, parents, students, and Ms. Dickerson. We would like to thank Nate Packer '23 and friends for providing a significant portion of the athletic photos. We would also like to thank Sara Kulis '24 and Mr. Fionte for producing the superlative photos.

We would also like to thank Jonathan Amico and Mia Muzio in the Athletic Department. They supplied all of the athletic team information, including rosters and highlights.

And finally, to the Class of 2022, congratulations and good luck! We hope you will cherish this book and remember, **ONCE A WILDCAT, ALWAYS A WILDCAT!**

The yearbook is a student- and staff-made publication of Wilmington High School. Pictures, interviews, quotes, and statistical data were gathered by Ms. Dickerson and submitted by the WHS community over the 2021-2022 school year before, during, and after school hours. Ms. Dickerson gathered content while adhering to the health and safety guidelines outlined by WHS and WPS at the time of capture. Despite this, some images may contain individuals without masks or less than recommended social distancing.

Although the publication is thoroughly proofread and edited, we sincerely apologize for any omissions, misspellings, misattributions, or other mistakes.

Ms. Dickerson would personally like to thank the many students, parents, and community members she has met and worked with while serving as the Yearbook advisor at WHS. Unfortunately, after six years, she can no longer contribute the time and energy needed to create a thorough and engaging book. From her time as Yearbook advisor, Ms. Dickerson is most proud of producing a full-length yearbook in a pandemic year (2020-2021) and getting the club "into the black" after inheriting significant debt. Perhaps more than any other extracurricular role at WHS, the yearbook requires you to have your "finger on the pulse" of what's happening, looking for stories and gathering information. In that way, it was rewarding. Ms. Dickerson sends her best wishes to the future advisor and student staff members of The Hourglass.
